

ANNUAL CONFERENCE

BECOME A SPONSOR!

The Oregon Coalition of Community Charter Schools annual conference provides sponsors access to school leader attendees to build partnerships bolstering the Coalition's work to promote, support, and advocate for charter schools, leaders, parents, and students throughout Oregon.

This year's event is going virtual and we will bring together over 100 school leaders and decision-makers on the afternoons of **January 26th & 28th**. We invite you to join us to help build knowledge, skill, and connectivity around Legislative Policy, Advocacy, Funding, and Leadership. Unique opportunities exist in the virtual sponsorship platform!
